

Thank you for taking the time to complete this form. Your responses will be used to help us refine our products and direct the creation of future materials. The following questions ask for your reactions to "From Earth to the Universe Braille/Tactile Posters"

1. Please tell us how you used "From Earth to the Universe Braille/Tactile Posters":

2. In what type of setting did you use "From Earth to the Universe Braille/Tactile Posters"?

3. Overall, how do you feel about the amount of information, science, and explanation of scientific principles in "From Earth to the Universe Braille/Tactile Posters"? Circle one number on the scale of 1 to 5 (with 3 being "just right") for each pair of descriptions.

Too little information	1	2	3	4	5	Too much information
Not enough explanation of scientific principles	1	2	3	4	5	Too much explanation of scientific principles

4. To what extent has using "From Earth to the Universe Braille/Tactile Posters" increased or decreased your interest in teaching more about each of the following? Please use the scale from 1 (decreased strongly) to 5 (increased strongly).

Has "From Earth to the Universe" increased your interest in...	Decreased strongly	Decreased some	Neither increased nor decreased	Increased some	Increased strongly
Astronomy	1	2	3	4	5
The methods scientists use to study astronomy	1	2	3	4	5
Science-related careers	1	2	3	4	5

Please feel free to explain any of your ratings further:

5. Were you and your students/participants satisfied with the printing technology used to produce the From Earth to the Universe Braille/Tactile Posters? For example, were the textures easy to feel and discern? Was the size of the poster useful?

6. On a scale of 1 (complete novice) to 10 (expert), how would you rate your knowledge of astronomy? _____
7. How often do you teach astronomy in your class or venue?
____ Never ____ Less than once a year ____ A few times a year ____ Monthly ____ Weekly
8. What other science or astronomy topics would be useful to you in this format?
9. What other venues might benefit from products such as these (e.g., conferences, libraries, summer camps or other programs that you participate in)?
10. Did you use the audio files or activity guide (available at <http://chandra.si.edu/edu/fettutactile.html>) to complement the posters? If so, were they helpful? If not, why?
11. How did you hear about "From Earth to the Universe Braille/Tactile Posters"?
12. Zip code of your institution/venue _____
